## FedScale Receives STARS III Award Notice

FedScale Innovative Enterprise Solutions has received an award notice as part of the initial cohort for a contract position on the 8(a) Streamlined Technology Acquisition Resource for Services (STARS) III Governmentwide Acquisition Contract (GWAC). STARS III is a \$50 Billion, Multiple-Award Indefinite-Delivery, Indefinite-Quantity (MA-IDIQ) contract issued by the General Service Administration (GSA) with an eight-year ordering period (five-year base and one three-year option period), allowing ordered services to be delivered through Year 13.

*“The STARS III award is a significant win for FedScale as we continue to expand our core capabilities within the federal market space. This contract vehicle and award will provide our customers access to the technical talent and innovative solutions that our staff members are eager to deliver.”*  
- Teena Sirohi, FedScale CEO

The STARS III master contract is designed to provide federal agencies with innovative Information Technology (IT) services-based solutions from vetted 8(a) small, disadvantaged businesses with a focus on core technology areas, such as Data Management, Information and Communications Technology, IT Operations and Maintenance, IT Security/IT Workforce Augmentation, Software Development, Systems Design and two new subcategories of Emerging Technology-Focused IT Services and IT Services performed outside of CONUS.

FedScale is an 8(a) and HUBZone SBA certified Economically Disadvantaged Women-Owned Small Business (EDWOSB). FedScale provides innovative integration services and solutions to the federal government. To reach FedScale, please call 703-542-0112 or use the following link <https://www.fedscale.com/contact.aspx>
